NYControlled invites manufacturers of lighting control systems and controls for architectural and architainment applications to exhibit.

To maintain a clear focus on lighting controls:

- Only those luminaires connected to electrified and operating controls may be exhibited.
- Only those third-party components essential to the manufacturer's lighting control system may be exhibited.
- Luminaires with third-party controls are *not* permitted.
- Only OEMs (Original Equipment Manufacturers) of controls will be accepted, no private label systems.
